

Guide to All in the Hall Recycling at UNL

1. Bring all waste items to the nearest centralized waste station.

2. Sort items into the appropriate stream as shown below. Ensure that items are empty, clean, and dry.

Paper

Mixed paper items such as colored and white paper, cardstock, non-corrugated cardboard and paperboard items including cereal, soda can, and tissue boxes, should be included in this stream.

Aluminum Cans

Plastic Bottles + Containers

Look For... PET HDPE PP

Items should be free of leftover food and liquids

Landfill

When in doubt, throw it out.

Note: Glass is not accepted for recycling at UNL. On campus, glass should go in the landfill stream.

Corrugated Cardboard

Corrugated cardboard boxes should be broken down and placed behind the waste station.

Example of Corrugation
